

Environmental Analyst

EnDyna, Inc., located in Tyson's Corner, Virginia has an immediate opening for an Analyst to support our consulting work with the US Environmental Protection Agency, National Institutes of Health, Occupational Safety and Health Administration, and other federal agencies.

POSITION REQUIREMENTS:

U.S. Citizenship / The position covers a wide-range of responsibilities including (but not limited to): environmental sciences, management and policy; administrative, team and project support; research, synthesis and database support; scientific meetings and peer review support. Knowledge of U.S. environmental protection and environmental health is a plus.

We are a small, fast-paced company that values individuals who are able to balance independent initiative and team work.

The ideal candidate will have a BA/BS in environmental science, chemistry or biology, plus 3-4 years of professional experience. Proficiency in Microsoft Office and strong communication skills – verbal and written – are prerequisites.

COMPENSATION:

Salary - \$45,000

Benefits: Fully paid vacation, holidays, life insurance, disability insurance; Contributed health insurance; 401K plan with fully vested employer contribution; Fully paid professional certification allowance.

CONTACT:

Interested candidates should send resume with salary requirements and availability. Please send an email, with 'Environmental Analyst' in the subject line, to: hr@endyna.com.
